Special Edition Newsletter

Wednesday 19th September 2018

## To our Families and Friends

This special edition newsletter is to inform you about the significant building program that will start during the upcoming school holidays.

**It will mean all school staff; families and the general public will not be able to access the school site from Saturday 22nd September - Monday 8th October.**

### Library

You may recall back in 2016, the school administration block and the community room had the old ceilings removed and replaced due to the deterioration of the ceiling panels. This upgrade was a result of an independent report that identifies areas of the school needing work.

Our next project is the library. The removal of the ceiling and insulation in the roof void will take place during the school holidays. As a precaution, the education department is adhering to strict guidelines as they contain asbestos materials which can be hazardous if disturbed. **Therefore access to the school site during the holiday period is prohibited.**

We are using the ceiling upgrade as an opportunity to freshen up our library. A coat of paint, skylights, additional data points and telecommunications will be added to brighten up and enhance the use of the facility.

Library - before photo

Location of future transportable

We will keep everyone posted on the progress of our library. After the work is finished an after photo will show the improved result!

In addition, sometime in term 4 we are expecting to receive an additional transportable. As our early childhood numbers grow along with our playgroup extra buildings are required to accommodate our growing student population.

**Kind regards**  
**Jan Hepburn,**  
**Principal**

### OUR SCHOOL CODE OF CONDUCT

▣ Be Responsible

▣ Be Respectful

▣ Be Caring

▣ Be Your Best
