Special Edition Newsletter 2

Wednesday 31st October 2018

## To our Families and Friends

In the Special Edition Newsletter, dated Wednesday 19th October, I spoke about the additional transportable for our Early Childhood Department being delivered in Term 4.

We have now been informed that the 'ground works' for the demountable will be taking place from the 1st November and may take 2 – 3 days.

We are expecting that the demountable will be craned in early next week, depending on the 'ground works'. We are very excited about our building projects coming to fruition.

Other building projects are also underway, keeping us all busy! Keeping everyone informed and up to date will help manage the school site, reduce risks and keep people safe.

### **Library**

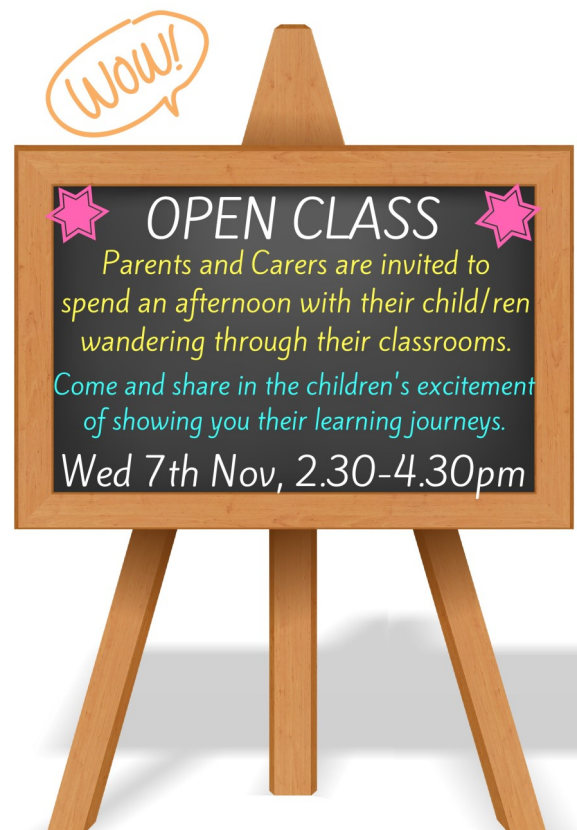

The library ceiling replacement is due to start next week, so there will be restricted access to the pathways near and around the library building. Please keep a look out for bunting and or 'witches hats' indicating hazards and building in progress.

### **Parent Afternoon**

The scheduled parent afternoon school opening will still go ahead and purposefully shifted to the new timeslot of 2:30 - 4:30pm during daylight hours. This is intended to help keep everyone safe but still allow families to view children's work as part of our Term 4 Program.

We appreciate your understanding in this matter and look forward to seeing as many parents as possible.

**Kind regards**  
**Jan Hepburn,**  
**Principal**

### OUR SCHOOL CODE OF CONDUCT

▣ Be Responsible

▣ Be Respectful

▣ Be Caring

▣ Be Your Best
