## Dear Parents, Guardians and Friends

We have finished off the year, the way we started with a number of achievements to celebrate over the course of 2018.

To everyone's delight we came back from the last Christmas holiday break with new basketball courts and a new surface in the covered assembly area. Adding to the improvements to the school grounds throughout 2018 is the new classroom, new library refurbishment, new office upgrade and new ceilings in the junior and senior teaching wings. Building projects are in various stages of completion with the new classroom and new library completed by the end of year. Work will commence over the Christmas vacation period to remove and replace the ceilings throughout the junior and senior teaching areas. The builder, backed by the education department has guaranteed the classrooms will be ready for occupancy for the beginning of the new school year- **Monday 4th February 2019.**

**To help make this happen, the school grounds are strictly closed to all staff and public on Monday 17th December to Saturday 5th January 2019 while the asbestos containing material (ACM) in the ceiling is being removed by a specialist team.**

Work on the administration block will commence in the new-year; the library will now become the school office for the beginning of 2019.

Other celebrations and achievements this year have seen improved student performance across a range of areas including reading, writing, spelling punctuation and grammar, increase in student enrolments, increase in kindergarten attendance and increase in families attending our playgroup.

Special events have been well supported by our families and the community including our Harmony Evening, Grandparent Afternoon tea, Athletics Faction Carnival, Parent-Classroom open afternoon, Christmas Assemblies and the Year 6 Graduation.

It has been an amazing effort from our dedicated staff to maintain the energy and service throughout the year. Thank-you to staff, parents and the community for your outstanding support enabling us to deliver high quality care and education to all our children.

Have a wonderful Christmas holiday, stay safe, rest up and get ready for another year of excitement and achievement in 2019.
